

## THE LORD'S PRAYER

Luke 11: 1-13

As we gather every Sunday to worship, we come before God in prayer joining in "The Lord's Prayer". But, what can we learn about prayer through "The Lord Prayer"? First, prayer is the means Jesus used to open himself to God, to anchor himself to his Father and to work the earth of his heart. Jesus prayed often and taught his disciples to pray. Prayer was as necessary to him as the air he breathed. I believe it was prayer that gave Jesus his powerful sense of awareness and insight into people and the world. It connected him to God, the source of life, and he began to see things so much from the divine perspective that he had no doubt that his work was God's work. The practice of prayer gave Jesus an intuitive grasp of the truths of life as well as the political and religious realities around him. He could, figuratively speaking, see into another person's heart because he knew both his own heart and the heart of God. He could read the pulse of the culture with as much authority as a doctor can read someone's blood pressure.

In my opinion Jesus' ability to have a "sense" of things, to grasp the truths of life and of society, is available to us as well. It was not as if Jesus switched on a 'divine power pack' and was suddenly able to see things, like Superman using his X-ray vision. I believe Jesus' ability was a human awareness cultivated through his constant practice of prayer. We should not simply read about Jesus and say, "What a rare and tremendous gift that *he* had!" That would be analogous to being awestruck "fans." We should, rather, yearn to imitate him and develop a similar commitment to prayer for ourselves. We should look at Jesus' life as testimony to the benefits of developing a life of prayer. Jesus invites us, through prayer, to experience new, fresh, deep, true and permanent insights into the nature of God, the world and the culture in which we live.

Second, prayer is the door or threshold to the spiritual world where God dwells in unapproachable light. It is the door to the inner world of the heart, whose contours have never fully been mapped. Prayer is the means to a "cartography of the soul," to a process of spiritual mapmaking. When we pray, we pursue Jesus into the deep things of life, where light and darkness dwell together and neither fully extinguishes the other. Prayer is the door into understanding the heavenly realms as well as the inky abyss. It opens new realms to us.

Prayer is, finally, a process of working the earth of the hearth, as the ancient monastic writers might say. In her book "The Closter Walk", Protestant author Kathleen Norris writes about the ways that the Catholic monastic tradition provides a rhythm and depth for spirituality that many Protestants have never explored. When she says that the life of prayer works "the earth of the heart," she means that prayer is like the act of cultivation. In order to work the soil, one must break up the hardened dirt clods, water the ground, free it from weeds and then plant a crop. Prayer is the way to "loosen up" the heart. During the natural course of our lives the "earth of our hearts" becomes parched, weed-infested and hard as flint. Unless we take care to break it up to run our fingers again through the rich soil that we know is there, our lives become as destitute and as desiccated as a desert. May God help us as we continue to pray "The Lord's Prayer" to fully experience the power of prayer.

WHEN? SUNDAY, SEPTEMBER 25

WHERE? ALDRSGATE HALL

TIME? 12:30 PM FOLLOWING OUR 10:30 – 11:30  
A.M. WORSHIP SERVICE

### A COMPLIMENTARY LUNCHEON WILL BE SERVED TO ALL PRESENT

We are extending an invitation to all members, former members, and long-time friends of our church who have retained an interest, over the years, in our church.

One of the hopes of the committee is that we will be able to locate and have our youth dig up the TIME CAPSULE that they buried about 40 years ago. We are not sure what has survived but we hope something is still in the box.

Special invitations have been sent to as many young people from those years as we could locate to return for this special occasion.

Our program will include memories from anyone present who had an involvement in the Methodist Youth Fellowship and the Junior Youth Fellowship. They were happy years, with our youth filling the first 4 center pews of our church every Sunday and taking an active part in our church.

If anyone receiving this Messenger has not been contacted, please notify Gertrude Baldwin (908-862-9473) or Doris Henel (908-486-5571 email [Djhenel@aol.com](mailto:Djhenel@aol.com)) if you can come.

Reservation forms have been in the Sunday bulletin all summer and will continue to be there during September. If you have not filled one out, please do so and we will CELEBRATE.

HOSTS: The United Methodist Women  
and as many members that can  
also help!

\*\*\*\*\*

UNITED METHODIST WOMEN

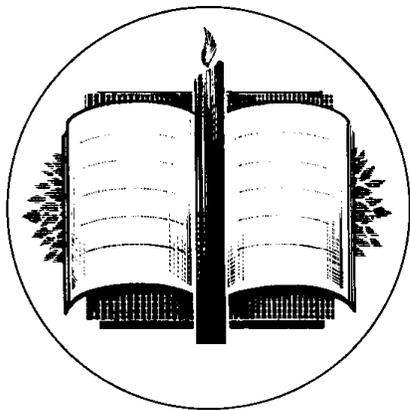

The first meeting of the United Methodist Women will be Tuesday morning, September 6<sup>th</sup> at 11:30 a.m. at the home of the president (who will serve for September, October and November).

Although Doris Henel had planned to entertain the women with a luncheon, because of her ill health during the summer, the luncheon will be postponed to the October meeting.

PLEASE BRING A SANDWICH AND BEVERAGE WILL BE PROVIDED.

There will be a business meeting and plans will be made for the remaining months of the year and the 145<sup>th</sup> anniversary planned for Sunday, September 25<sup>th</sup>.

We look forward to greeting all our members after a long, hot summer. Please plan to attend.

BIBLE STUDY TO START

Rev. Ramos and our Certified Lay Speaker, Bob Carhart, will be leading a Bible Study that will be held in the Youth Room every Tuesday, at 10:30 a.m.

The starting date is September 13<sup>th</sup> and all are invited to attend. They will run about one hour.

The attendance has been good over the last year, and we hope that even more will come to this new one just starting up after a restful summer. Please notify the Pastor or Bob Carhart if you plan to attend.

We realize that people cannot make a long term commitment, not knowing what the future holds, but it will still be a worthwhile experience even if you miss one occasionally.

We look forward to seeing you!

ADMINISTRATIVE COUNCIL

In June we had our first Administrative Council meeting at 10:00 a.m. in Aldersgate Hall. We were very pleased at the increased attendance.

Our next meeting will be WEDNESDAY, SEPTEMBER 14TH ALSO AT 10:00 A.M. All officers and members of committees should attend. We only have 4 meetings yearly so it is very important that we have a good attendance.

Try the day-time meeting - you'll like it!!

If you cannot attend, please speak to the secretary, Doris Henel, and she will see that you receive a copy of the minutes.

## BITS AND PIECES

On June 12th we were pleased to welcome two new associate members to our church. Although they did not know each other they both are part of the Caribbean U.M.C. of America, one from Jamaica and one from Trinidad.

They have retained their membership in their home church but wanted to also be part of our church.

A coffee hour was held following the worship service so that our members could meet and welcome our two new associate members to our church family.

Welcome to:

Norma Soleyn  
45 Hussa Street, Apt. 10  
Linden, N. J. 07036

Marese Pond  
1018 Charles Street, Floor No. 1  
Linden, N. J. 07036  
646-853-8329

We are all very happy you have joined us and we look forward to your participation in our church.

June 12<sup>th</sup> was also the day that the Dianne Fleming Long, Gregg Carhart and William Steiniger Scholarships were presented during the worship service. They joined us during the Coffee Hour also so that they could be congratulated by everyone.

The Scholarships were presented to:

Megan Stamer  
Elizabeth Marosi

Since the Scholarships do not come due until August, there is further information on another page in this Messenger.

Megan will be graduating in 2012 and Elizabeth is continuing her education.

There is a group of women in our church who have found a way to be "FOREVER YOUNG. About 12 women who had been attending the Bible Study conducted by the Pastor during the winter season, decided to try some of the wonderful restaurants in the surrounding areas in place of the Bible Study which was not held in the

summer. Each Tuesday they have dined in new and interesting restaurants and enjoyed wonderful conversation and much laughter. In fact, someone came up to them one time and asked who they were and where they came from because it seemed such a happy group.

Our church is truly a family, sharing our joys and supporting those that need it. God has been good to us!

So when we talk or print something about the FOREVER YOUNG group, you will now know who we are talking about!

A special THANK YOU to Bob Carhart who conducted the worship service three Sundays during July while Rev. Ramos was on vacation. His time in the pulpit is always very special to us and he is always happy to share his faith. We also thank Leona Parker for arranging the substitute pianist during the same time. We are fortunate that we have people in our church with talents they are willing to share.

We thank Rev. Charles Miller for his usual wonderful auditing of our church books. He not only takes care of that for us, but helps us out during the year when needed. We really depend on him and Kathie Horsch, our Current Expense Treasurer who keeps all our bills paid and knows exactly where we are in our financial picture. Thanks to both!!

As we get ready for our Church Conference in October, we remind you that the Nominating Committee will be meeting in September. We need the help of everyone and ask for your cooperation if you are asked to help by taking a position. It takes us all to keep things moving smoothly and efficiently. Don't worry – God will help!

With the transfer to another district, Rev. Robert Costello, our former District Superintendent, has been replaced by Rev. Jisun Kwak. We welcome her to the Gateway North District and thank Rev. Costello for his help during his appointment to our district.

PRAYER LIST OVER THE SUMMER

We have been praying for the following over the summer months. Some are better and some still need our prayers.

- |                  |                  |
|------------------|------------------|
| Mary Barnes      | George Barnes    |
| Janet Parlino    | Jackie Costello  |
| Michael Costello | Hans Family      |
| Zachary Moore    | Anita Hawkes     |
| Mycroft Laryea   | Lacey McNicholas |
| Sophia Meolia    | Marge Varga      |
| Steve Lutz       | Doris Henel      |
| Vivienne Merrill | Kime Smith       |

We were sorry to hear, over the summer, of the death of the following who were either previous members or friends of our church.

Sheila Brown who had been on our prayer list for many months. She was living in Pennsauken, N. J. at the time of her death. She was a good friend of MaryJane Koslosky serving with her as a supervisor at the Telephone Information Center, Southern Div. of N.J. Transit, Camden, N. J.

Ralph Heyboer, a former member of our church with his late wife, Emma, and surviving daughter, Margaret. He also leaves his two granddaughters, Andrea and Megan and two great-granddaughters, Micaela and Maya. He had lived in Linden for the past 60 years. Private funeral services were held at the direction of the Werson Funeral Home.

Richard LeDuc, father of Rev. David LeDuc who served as one of our previous ministers. We got to know Richard and his deceased wife, Ruth in the years of Rev. LeDuc's appointment to our

church. They were both very active in the U.M.C. of Cranford and the Ocean Grove tent city community. He is survived by his adoring family, 5 children, 13 grandchildren, 2 great-grandchildren, his brother, 3 sister-in-laws, and many nieces and nephews. Funeral services were held at the UMC of Cranford and a Memorial Service was held for Richard and his wife, Ruth on August 13, 2011 in Tent City at the Bishop James Tabernacle in Ocean Grove. We extend our deepest sympathy to all the members of the LeDuc family.

Alvin Coplan, was a longtime resident of Linden, and former principal at both McManus and Linden High School and assistant superintendent of the Linden School system. He was also the past—president of the Linden Board of Education and highly respected by the students he taught and the adults he worked with. We especially knew Alvin from the years he served as president of the Linden Kiwanis Club which met for lunch at our church for 35 years. He is survived by his wife of 62 years, Marilyn, two sons, Tony and his fiancée Karen Wohlrab, Corey, 3 grandchildren, and a sister. He was predeceased by his daughter, Karen. Services were held at the Leonard-Lee Funeral Home.

John Stokes was the person who kept our church organ in good repair for many, many years. He not only took good care of it, but half the time he never sent us a bill. He was a kind, gentle man, who responded to every telephone request for help. We extend our sympathy to his family and friends. His was a life well-lived!

A special thank you to Jane McCarthy for her dedication to our choir and the members of our church. The last Sunday in June she announced that she would be retiring (for the 2<sup>nd</sup> time) The choir held a farewell at the home of Kathryn Gmitter. Jane had been a wonderful organist/director and we will miss her very much. We hope her retirement will be wonderful!

## MORE BITS AND PIECES

Bob and Carol Schickel have built a lovely new lake front home in the Chicago area where they live. In July they invited the following to join them for about 5 days.

Debbie & Todd Schickel

Rick Downey

Doug Lee

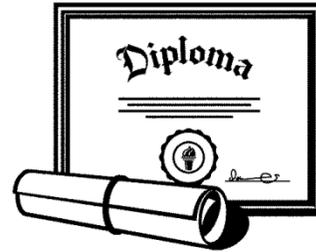

Tom Henel

Bob & Carol's son and daughter & families  
And who does Bob surprise them with? Stephen Gladden who lives in the Chicago area, with his wife! Truly a wonderful surprise! We hear they all had a wonderful time.  
You better watch out Bob and Carol – you might have more wanting to join you!!

Congratulation to Walter Baldwin, Jr. and his wife Sue who recently moved to Mullica Hill, N. J from Lakewood which is much nearer his new job. He loves his work and they are very happy in their new home. They will soon be putting their home in Lakewood up for sale.

LINDEN HIGH SCHOOL CLASS OF 1961 50 YEAR REUNIONM OCTOBER 22, 2011 – PANTAGIS RENAISSANCE, 250 PARK AVENUE, SCOTCH PLAINS, N. J.  
FOR MORE INFORMATION CONTACT THE COMMITTEE AT [LHS1961reunion@gmail.com](mailto:LHS1961reunion@gmail.com)

This month, September, is the 43<sup>rd</sup> year Doris Henel has been serving as church secretary, although she only took the job for one month to help out until a new secretary was hired - that never happened! It is the second time in all these years that her health failed her during the month of July. That worked out well, because she does not work in the summer. After a month of unbelievable pain she was diagnosed with Polymyalgia (PMR) Rheumatica with possible Giant Cell Arteritis (GCA) (Say that fast!!) After a shot of prednisone and daily pills she improved like she had been given a magic bullet! By the time summer is over, she expects to be back to normal again. Thanks to the prayers of all her family, friends and church family.

## MORE INFORMATION ABOUT OUR SCHOLARSHIP FUNDS

*We made everyone aware last Fall that the interest we hoped would accumulate in our Scholarship Fund would be enough to allow us to make a nice presentation on Scholarship Sunday. As everyone knows, this did not happen to our funds or yours. We invest the money where we know we will retrain all monies donated to these Funds and the interest rate was terrible for 2011. The Scholarship Committee is planning to continue to invest the money safely, but we are very aware that the interest rate is no better for 2012 then it was this year.*

*We would like to express our deep appreciation to the two caring, dedicated church members who contributed a total of \$600 this year to go directly to the recipients of this year's scholarships.*

*Megan Stamer - Elizabeth Marosi*

*This also happened in 2010 and we realize we cannot continue to count on donations from our members each year.*

*The Scholarship Committee plans to keep the money for the next year in a safe investment even though the interest will not be enough to present scholarships next year. As soon as the economy straightens out, we will move the money into a safe, profitable investment and start presenting the scholarships again.*

*We hope you will understand and approve of the actions the committee is taking. It is our responsibility to insure that these funds are safe and will be there for the future in helping our young people continue with further education. 2012 is the first time since the establishment of the Dianne Fleming Long, Gregg Carhart and William Steiniger scholarships that none will be presented. Hopefully they will start again in 2013. It all depends on the economy.*

*Committee – Mary Barnes, MaryJane Koslosky*

**BOARD OF TRUSTES PARSONAGE REPORT**

This has been a very busy summer for Donald Beyer, president, of the Board of Trustees. Many a lunch he has missed as he ran over to the parsonage to meet with contractors and insurance representatives ever since the water damage done to the parsonage on March 22<sup>nd</sup>. Although things are moving slowly, they are headed in the right direction.

The check has been received from the insurance company and colors, furnishings, structure, and floors are being decided upon. The UMC three presidents, (D.Stamer,G.Baldwin,D.Henel) have been requested to assist in this task.

The first phrase of the project will be the removal of asbestos which was used many years ago and now will be brought up to the present code. Following that will be the reconstruction of our parsonage. When the house is finished we hope to get the yard cleaned up, shrubbery taken care of and improvement of the front railing.

The Trustees are hoping to have an OPEN HOUSE at the conclusion of all the work so that you can see all that has been done.

Before Rev. Costello left he informed us that he had a retired minister who would be interested in living in our parsonage while we have a minister that has no need for it. That would retain our tax exempt status.

He also suggested that we not charge rent which would make it very attractive to a minister who has no home of his own when he retires. He would pay all utilities which would be a help to us. And it is important to have someone living in the house, taking care of the property and grounds.

As work progresses we will keep you informed Our parsonage should be in excellent condition when everything is finished.

Donald Beyer, President, Board of Trustees  
Thomas Henel, Wayne Hanns, Bob Losyk, Joe Stamer, Charles Ettel, Gertrude Baldwin

*As usual, we can use help! We will be setting up on Wednesday ,October 12<sup>th</sup> and if necessary, Thursday, October 13<sup>th</sup>. This worked out great at our spring sale and was not as tiring for the women.*

*You may bring your clothing, linens, toys, shoes, jewelry, soft-covered books and white elephant items (IN GOOD CONDITION - NO MAGAZINES OR HARD COVER BOOKS, PLEASE!) to Epworth Hall, downstairs at any time. Any gift items will be saved for our church-wide fair on SATURDAY, NOVEMBER 18<sup>TH</sup>.*
